Re: Request for confidentiality

Applicant: Cooper Power Systems

FCC ID: Y86-62020X31

To whom it may concern,

Permanent Confidentiality

Request is hereby submitted by Cooper Power Systems to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Block Diagram
- Operational Description
- Schematics
- Parts list
- Tune up procedure

Rationale for request for confidentiality:

Cooper Power Systems has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "N. Brandt", with a long horizontal flourish extending to the right.
